The Marius

900mm deep x 650mm wide x 860mm high

The Marius is designed to go into the smallest of spaces and the inward-opening door at the front with its patented double-hinge arrangement allows for easy access in a very small space. Once in the tub, there is a moulded seat which the bather can sit on whilst having a long soak. Bath is available with left-hand hinged door only. Double wastes allow for quick emptying. The bath is supplied with twin wastes and one side panel as standard. If required, an additional side panel is available as an optional extra.

The Phocas

1210mm long x 650mm wide x 945mm high

The Phocas has a contemporary glass inward-opening door into the bath and a moulded seat for the bather to relax on. Twin wastes drain the bath quickly and the bath can be supplied with the door on the left or right-hand side depending on the layout of your bathroom. (Left-hand bath pictured). Supplied with a front panel and one end panel as standard, an additional end panel is available if the bath is to be installed away from the side walls.

MANUFACTURERS OF QUALITY ACRYLIC BATHS, AIRSPA'S,
SHOWER TRAYS & EASY ACCESS BATHS

25 Year Guarantee

By using high quality materials and advanced manufacturing techniques, Renaissance make baths which carry a 25 year guarantee against manufacturing or material defects. At their discretion Renaissance will either replace a faulty product or refund the cost. Consequential loss is not covered.

This guarantee only applies to the original domestic purchaser.
Proof of purchase will be required.
